

SUNDAY, SEPTEMBER 27

BRIDGEPORT COUNTRY CLUB • 1:00 – 3:00 p.m.

Join us at the Bridgeport Country Club in Bridgeport, West Virginia for an afternoon poolside gathering of giving back as we come together in supporting the newly established Veronica Baker Low Dose CT Scan Fund at United Hospital Center.

This newly established fund supports the Pink and Pearl Campaign, a healthcare initiative that pairs breast cancer screenings with lung cancer risk assessments. It uses pink (representing breast cancer) and white/pearl (representing lung cancer) to encourage eligible women to get dual screenings during a single visit.
